If you order plants by the pound or larger, heavier plants, your shipping amount *will* exceed the shipping percentage listed above. Percentages listed are an estimation of your shipping charges. Shipping is generally lower on orders over \$300.00. You will be charged actual shipping costs.

Although problems occur in less than 1% of all of our shipments, the customer must understand that all plants are shipped at buyers' risk. All returns must be pre-approved by our Management staff. Should a problem arise with the quality of your plants, you will need to contact our office within 24 hours of receiving your shipment. Due to the plants' perishable nature, no returns will be authorized unless we have made a mistake in your order.

Tillandsia International is not responsible for damages that occur in shipping, i.e. freezing, heat damage, breakage, delays, etc. These claims must be filed with the carrier.
